Subject : An application post of graphics designer

Respected Sir/Madam

I saw post on linked in for a graphics designer, 20 January, I wish apply to apply for above said post in your company

I complete my Bachelor of Science in Information technology from P P Savani University.

I just complete my bachelor. I have no experience. I make some low quality games and design some graphics for mobile applications.

I worked hard for your company. I hope my application for the graphics designer position meets with your approval. I am grateful for your time in reviewing my application.

Thank You

Your faithfully
Archit Moradiya
